Dear Students,

Greetings from Placement Cell, Marwadi University!

We are happy to inform you that we have collaborated with **HCL Tech** for career opportunities for our students. In this regard, there is a webinar scheduled by **HCL Tech** on **3rd June 2026** for students. **All students seeking placements are required to refer to this email and register for it.**

The banner features a purple background with a stylized circuit line on the right. At the top left, it says 'HCLTech | Supercharging Progress™'. In the center, the text 'AMPlify your career' is written in a mix of bold sans-serif and script fonts, followed by 'Learn what it takes to start your career at HCLTech'. At the bottom left, it says 'In association with INTERNSHALA internships that matter' with a paper plane icon. On the right, there is a portrait of a man labeled 'Speaker' and text 'In conversation with Prasath Pannee Head - Campus Relations HCLTech'.

Dear Campus Partner,

Greetings from HCLTech!

We are pleased to invite your students to an upcoming Webinar being hosted by Internshala that brings together industry insights, career guidance, and an in view of opportunities at HCLTech. We request your support in circulating this invite to maximize student participation.

What your students will gain?

This session is designed to help students:

- Understand what **industry-ready** really means today
- Learn **what recruiters look for** while evaluating candidates
- Avoid common mistakes in **resume building and preparation**
- Gain clarity on **skills, mindset, and career readiness**
- Get practical insights on **what it takes to start a career at HCLTech**

This is not a recruitment session, but a **career-focused conversation** aimed at helping students prepare with greater clarity and confidence.

Being our partner on campus, we request your support in:

- Sharing this opportunity with your students (especially 3rd and 4th year engineering cohorts)
- Encouraging interested students to register and participate
