 Job Profile 1. Performance Marketer - PPC 2. Content Writer 3. Search Engine Optimization (SEO)	 Package (CTC) 2.4 to 3.6 LPA
 Work Location Rajkot	

Job Description

1) Performance Marketer - PPC

- They are looking for a motivated Fresher PPC Executive who is eager to learn paid advertising and performance marketing. If you are interested in Google Ads, Meta Ads, data analysis, and driving measurable results, this role is an excellent starting point for your digital marketing career.
- Assist in creating and managing PPC campaigns (Google Ads, Meta Ads, etc.)
- Perform keyword research and coordinate ad copy creation

- Track campaign performance using Google Analytics and platform dashboards
- Maintain and update performance data in Google Sheets
- Monitor key metrics such as CTR, CPC, conversions, and ROI
- Optimize budgets, bids, targeting, and ad creatives based on insights
- Analyze data and prepare regular performance reports
- Support A/B testing of ads, landing pages, and audience segments
- Coordinate with content and design teams for ad creatives
- Follow campaign schedules and meet performance goals
- Basic understanding of PPC / paid advertising concepts (training will be provided)
- Strong interest in data analysis and performance marketing

2) Content Writer

- They're looking for a passionate Content Writer who loves words, storytelling, and learning digital marketing. If you enjoy writing and want to build a strong career in content, this role is for you.
- Write engaging content for blogs, websites, social media, and emails
- Research topics and create original, SEO-friendly content
- Edit and proofread content to maintain quality and clarity
- Collaborate with marketing and design teams
- Follow content calendars and meet deadlines
- Strong command of English (written)
- Basic understanding of SEO & digital marketing (training provided)

3) Search Engine Optimization (SEO)

- **SEO Strategy Development:** Design, implement, and manage comprehensive SEO strategies tailored to meet client goals, including on-page and off-page optimization.
- **Keyword Research:** Conduct thorough keyword research to identify opportunities for content development, site optimization, and campaign targeting.
- **On-Page Optimization:** Optimize website content, meta tags, headings, URLs, and other on page elements to improve search engine rankings.
- **Technical SEO:** Perform technical audits to identify and resolve issues related to site architecture, mobile responsiveness, site speed, and indexing.
- **Link Building:** Develop and execute link-building strategies to increase domain authority and improve search rankings.
- **Content Collaboration:** Work closely with the content team to ensure content is optimized for SEO and aligns with overall marketing strategies.
- **Analytics and Reporting:** Monitor, Analyse, and report on key SEO metrics using tools like Google Analytics, Search Console, and other SEO platforms.
- Provide actionable insights and recommendations based on data analysis. Skills Required: -
- **Competitor Analysis:** Conduct regular analysis of competitors' SEO strategies to identify opportunities and areas for improvement.
- **Client Communication:** Regularly update clients on SEO performance, strategies, and project timelines. Offer insights and suggestions to align SEO efforts with broader marketing goals.
- **Team Leadership:** Mentor junior team members, providing guidance on best practices, new trends, and advanced SEO techniques.
- **Stay Updated:** Keep up to date with the latest trends and best practices in SEO, search engine algorithms, and digital marketing.

Technical Skills:

- Proven experience as an SEO Executive or similar role, with a strong portfolio of successful SEO campaigns.
- In-depth knowledge of search engine algorithms, ranking factors, and SEO best practices.
- Proficiency in SEO tools such as Google Analytics, Google Search Console, Ahrefs, SEMrush, Moz, etc.
- Strong understanding of on-page, off-page, and technical SEO.
- Excellent analytical skills, with the ability to interpret data and provide actionable insights.
- Experience with content management systems (CMS) and HTML/CSS is a plus.
- Strong communication and client management skills.
- Ability to work collaboratively in a team environment and lead SEO projects from start to finish.

Skills Required

- Good numerical, analytical, and problem-solving skills
- High attention to detail and eagerness to learn
- Ability to work in a fast-paced digital environment
- Creative mindset with attention to detail

Selection Process
